Select the perfect program for your child

Parents & Tots (1-3 years)

Through music, movement, art and more, kids and parents or caregivers learn together in our full-immersion environment. A great way to learn and bond!

Options:

- 1 class/week exposes your child to the language at their optimal age.
- 2 classes/week doubles the learning and fun! You will see results sooner with more exposure.

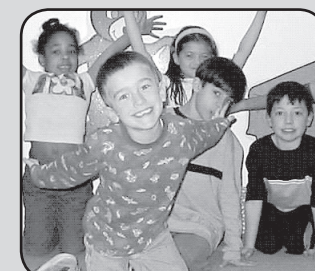

Kids Only (3-5, 5-8 & 8-10 years)

Using interactive games, arts, sports, singing and more, your child will absorb the foreign language easily ... and have fun too! Groups of 4-8 kids enable each child to learn and grow at their own pace. Experience excitement, energy and learning like you have never seen before!

Options:

- 1 class/week allow your child to climb the Learning Ladder and absorb the language.
- 2 classes/week accelerate learning and retention toward proficiency.
- Multiple languages per week maximize your child's "window of opportunity"!

Fluent in Fun!
